

Stage 1 Communiqué

Stage 1 – Mogollon Road Race

Announcements:

Start List Correction: There were some minor errors in the Start List distributed Tuesday. Corrected start list was distributed Wednesday morning prior to the stage.

Toronto Hustle is reminded to provide the name and contact information for the rider they have selected to participate on the Extreme Weather Protocol panel. This panel is a combined ME and WE panel that will be convened as needed with an eye on forest fires.

A reminder that all team members must wear the same style jersey during the stage.

Organization Announcements:

!Caution! at the start of tomorrow's stage, do not roll bikes through the field near the start line, as the weeds will likely cause flats.

Note: On Stage 2 after the first KOM Pinos Altos at 18.7, the road narrows and descends. Vehicle movement during the 5 km descent will be restricted.

The neutral start is 0.9 miles (1.5 km).

Please retrieve and return hand held radios at the start/finish area.
