For the Time Trial teams are reminded of the two following points:

- Drivers of follow cars must have a valid license issued by USA Cycling or another federation.
- The UCI has revised the follow distance for team cars as of the beginning of 2023:

2.4.023 *The following vehicle shall follow at least 25 metres behind the rider, shall never overtake her nor draw up level with her. In the case of a breakdown, technical support may be rendered only with the rider and vehicle stationary and the following vehicle shall not hinder anyone else.*
